LUMEN CHRISTI COLLEGE

Laboratory Technician

Position Details:
Lumen Christi College is seeking a Laboratory Technician to join our Science Learning Area. This role coordinates laboratory resources, prepares and maintains equipment and materials, supports practical investigations and advises staff on laboratory safety and procedures.

This is an ongoing, part-time (16.5 hours per week), term time position commencing 1 January 2027. Days and hours to be negotiated.

Selection Criteria:
Essential

- A strong commitment to the ethos of Catholic Education and a willingness to promote and support Catholic values as a member of the Lumen Christi College community.
- A tertiary qualification in Science and/or a relevant TAFE Certificate IV qualification.
- Strong organisation, initiative and time management, with the ability to prioritise competing practical requests.
- A collaborative and service-focused approach, with effective communication and interpersonal skills.
- Reliability, attention to detail, sound judgement and the ability to work independently.
- A positive approach to working with students and contributing to a safe, supportive College community.
- Further training in chemical safety.
- A current First Aid qualification.
- Have or willing to obtain a current Working with Children Check (WWC)
- Have a or willing to obtain a current Nationally Coordinated Criminal History Check
- Acquire and maintain relevant Accreditation requirements to Work in a Catholic School

Desirable

- Previous experience working in a school environment.
- Membership of Labnetwest, the organisation of laboratory technicians in independent schools.
